AM-CAN Championship Series™ ***Guidelines***

Structure, rules, regulations and procedures
for the AM-CAN Championship Series

History and Intent

Through a unique partnership, the American Historic Racing Motorcycle Association (AHRMA), The United States Classic Racing Association (USCRA) and Canada's Vintage Road Racing Association (VRRRA) have joined together to reboot this legendary series, with history dating back to its creation by Bob Coy in the early 1980's.

In an effort to create a friendly rivalry between the USCRA and the VRRRA and to support one another's clubs, the initial AM-CAN series consisted of four distinct rounds, two in the States and two in Canada. After many successful years, interest and participation in the series waned.

Fast forward to 2016. Through the hard work and cooperation between the three major North American vintage racing organizations, Ashton Bond (VRRRA), with assistance from Christopher Spargo (AHRMA) and Doug Donelan (USCRA) worked to reboot the series. After several months of discussions and negotiations, The revamped AM-CAN Championship Series was born.

The intention of the Am-Can Championship Series is to bring vintage road racing closer as a whole by fostering a spirit of friendly rivalry among the American and Canadian racing organizations with exciting head-to-head competition simultaneously promoting travel opportunities within each organization. Our goal is to make all vintage road racing events stronger, more competitive and that much more enjoyable.

The relaunch of the AM-CAN Championship Series will run concurrently with the respective yearly road race event schedules of each participating organization. All licensed members of each club are eligible and encouraged to participate. The series rewards both individual racers and teams who finish well and finish often; all while encouraging growth and interaction among the three organizations.

Definition and Officials

AM-CAN Championship Series-

Title of the cross border, vintage motorcycle and sidecar competitive racing series.

Series Schedule- Official listing of AM-CAN points-earning events.

Point(s)- a unit of counting in the scoring of a game or contest. Determined by finishing position in any AM-CAN eligible race.

Accrue- to accumulate periodically.

Eligible/Eligibility- Events and machinery qualified to participate in the AM-CAN Championship Series.

Event Host Organization- The racing organization that is hosting the sanctioned AM-CAN Championship Series event.

Directors- Individual(s) authorized to oversee all aspects of the AM-CAN Championship Series.

AM-CAN Championship Series Directors-

Series Structure

There will be two teams, The United States (AMerican), and Canada (CANadian). AM-CAN Championship Series points are only available at sanctioned events. A full series schedule of sanctioned events will be made public prior to the start of the calendar season.

The winning team is determined by total points accrued from the final results at the completion of the series schedule.

In addition, both Canadian and US racers will accrue individual points (concurrently with team points) to determine the top 10 national riders from each team. Individual awards will be distributed at each event for the top three finishers from each team at each series event. These awards are separate from, and in addition to, the overall team and individual awards.

At the conclusion of the season, the overall winning team will be awarded a championship trophy and the top five individual riders from each team will also receive an award. Participants earn points based on their finishing position for any eligible class, in all eligible events including their home events.

Although it is highly encouraged, a registered AM-CAN participant is not required to travel outside their "home" club, nor cross the border to participate in and accrue points in the AM-CAN Championship Series.

***The points schedule for each race finish is as follows:**

First Place.....	18 points
Second Place.....	15 points
Third Place.....	13 points
Fourth Place.....	12 points
Fifth Place.....	11 points
Sixth Place.....	10 points
Seventh Place.....	9 points
Eighth Place.....	8 points
Ninth Place.....	7 points
Tenth Place.....	6 points
Eleventh Place.....	5 points
Twelfth Place.....	4 points
Thirteenth Place.....	3 points
Fourteenth Place.....	2 points
All remaining finishers.....	1 point

*** Any registered AM-CAN participant attending a sanctioned AM-CAN Championship Series event hosted by the opposing team will receive double points for any points-earning finish at that event.**

All points accumulated throughout the scheduled series for each team will be subject to a handicap. The handicap will be determined by the bulk number of team entries to determine the overall AmCan Championship Series winner.

Rules and Regulations

The AM-CAN Championship Series is open to all current licensed riders (including sidecar drivers and passengers) in AHRMA, the USCRA and the VRRRA.

An AM-CAN participant may register for either Team USA or Team Canada. Once a participant registers with a team, he/she may NOT change teams until the conclusion of the current scheduled series.

The list of eligible AM-CAN Championship Series classes are listed below. Any classes NOT listed, may be petitioned to participate. The eligibility of such classes are at the sole discretion of the Directors.

Barber Motorsports Park, Leeds, AL, USA

Registration and Fees

Registration for the AM-CAN Championship Series may be done at any time during the season either through Series Tracker (<https://seriestracker.com/>) for anyone registered on Series Tracker. This includes, but is not limited to AHRMA and VRRRA members. USCRA members and riders visiting a USCRA sanctioned event may register in person at any sanctioned AM-CAN Championship Series event hosted by the USCRA or pre-register via mail.

Registering riders/passengers will pay a \$5 fee per day at any sanctioned AM-CAN Championship Series event to participate.

- This fee is in addition to any entry fees imposed by the event host organization.
- The \$5 fee is all inclusive, it enables the participant to accrue team and individual points in any/all eligible AM-CAN class (in addition to any points they may accrue with the event host organization.)
- The \$5 fee will be collected in the currency of the event hosting organization.

The refund policy for the AM-CAN Championship Series shall follow the published refund policies of the event host organization.
