# USVGP INFO

**First and foremost, welcome!** This is a very exciting time for the club as we expand to a new venue. We are thrilled to be racing at the legendary Thompson Speedway. It has been 46 years since motorcycles last raced at the circuit. Because it is our first visit to a “new” track, there are some important procedures we’ve put into place to ensure a safe and fun experience for all riders, as well as their families, friends and crew.

Special thanks to our Director, Bob Coy for his hard work and willingness to make this happen. And I would like to thank in advance, all the volunteers who no doubt will be working hard to make this event a success.

Included in this packet are registration and tech forms for the 2024 United States Vintage Grand Prix on May 20 & 21, and important information about the event. Please take the time to read the information prior to sending in your registration

## IMPORTANT INFORMATION PLEASE READ

# **THOMPSON SPEEDWAY RULES AND REGULATIONS**

To ensure that all guests have a safe and enjoyable visit to TSMP, the following rules and regulations are in effect for all Events at the facility:

- Fires are allowed only in designated camping areas and must be in containers designed for that purpose. Small home grills, hibachis and small gas grills are permitted in the paddocks, if operated in a safe manner.
- Fueling is not permitted in the garage area at any time. All fuel cans must be left outside the garage at all times – regardless of whether full or not.
- The traffic flow in the paddock is counter-clockwise. In other words, when traveling in the garage area the building should stay to the driver's left. In addition, cords may not run across the travel lane during on-track activity. Cords being run while the track is cold must be covered by a yellow jacket cable protector.
- TSMP does not permit items to be taped to walls without prior consent. Any items approved to be taped to classroom or bathroom walls must be taped with painter's tape so as to not remove the paint.
- The lights on either side of the bridge allowing ingress and egress to the paddock are on a timer. The lights will change approximately every 90 seconds, and must be obeyed.
- TSMP operates under strict hours of operation. Vehicles may ONLY be operated on the Course during the hours specified on page two of this Agreement, and under no circumstances before or after the following hours:  
Monday – Saturday 9:00 a.m. – 5:00 p.m.
- Race/unmuffled engines may not be started prior to 8:00 a.m., Monday through Saturday, and 12 noon on Sunday. THE STARTING OF RACE/UNMUFFLED ENGINES PRIOR TO THESE TIMES IS EXPRESSLY FORBIDDEN AND VIOLATORS MAY BE SUBJECT TO IMMEDIATE REMOVAL FROM EVENT. AT NO TIMES MAY VEHICLE NOISES BE IN VIOLATION OF TSMP'S **103 DB LIMIT**. (MEASURED AT 50 FT FROM MOVING VEHICLE ON THE FRONT STRAIGHTAWAY).
- Smoking is not permitted in the hot pits, anywhere that fuel is being dispensed, or in any facility building or garage.
- No vehicles of any kind are permitted on the Race Course, Autocrosses and Skid Pad without the express consent of TSMP.
- TSMP shall have the right, at any time, in its sole discretion, to refuse admission to or eject from TSMP or from any facility in TSMP any person for conduct which may be unsafe, discourteous, verbally or physically abusive, influenced by alcohol, drugs, or controlled substances, or may otherwise diminish the safety, health, or enjoyment of others on the premises.
- Nothing may be affixed to the driver/rider helmets including, but not limited to Go Pro cameras.
- USER is responsible to pay for all damage to the track, autocross courses, skid pad, and other facilities incurred in connection with USER's event, including but not limited to damage to structures, asphalt, Armco, safety barriers, tire walls, shrubbery, and trees.
- Children under the age of sixteen (16) must be accompanied by an adult while in the paddocks. For their safety and that of others, children must be kept under adult supervision at all times.

(continued on next page)

(continued from last page)

- Children under the age of sixteen (16) are not permitted to drive golf carts or operate any other motorized vehicles at TSMP. This applies to all golf carts, whether used from TSMP or privately owned.
- The use of non-golf cart personal paddock vehicles (i.e. atv) are allowed in the paddock only. Golf carts may be operated anywhere on the facility. Common sense and care must be exercised and applied to the use of such vehicles. Personal powered vehicles including skates, skateboards, razor scooters, mini-bikes and similar devices are NOT permitted in the paddock.
- TSMP allows pets at its events; however, all pets must be leashed and cleaned up after.
- Alcoholic beverages are permitted in the paddocks and pits fifteen (15) minutes after on-track activity has ceased for the day and until 10:00 pm. TSMP has the right to suspend driving privileges for any driver found to be out of compliance.
- Quiet time on TSMP grounds is between 10:00 p.m. and 7:00 a.m.
- The speed limit in the paddock areas is 10 MPH. The speed limit on the access road to the paddock and all other areas of TSMP is 20 MPH. Pit lane speed limit is 30 MPH.
- Firearms and fireworks are prohibited on TSMP property at all times.
- Do not pound stakes or make any holes in any asphalt surface. Do not paint any asphalt surface. Offenders will be held liable for all damages and may be ejected. If you must temporarily jack a vehicle on asphalt, metal or wood must be under the jack/jack stands. Jack stands must be used for anyone to be under a car.
- Fluid wastes must be placed in approved TSMP disposal containers located at various sites in the paddocks and NEVER on the ground.
- All participants must take with them all broken vehicle parts, batteries, scrap metals, tires, etc. TSMP will invoice the USER the cost of removal or \$200 (whichever is greater) for each such item left on TSMP's grounds after the Event.
- Fences are not permitted to be climbed. Only those with proper credentials are allowed in front of spectator fences. No standing is permitted on the Armco on either side of the bridge.
- Persons under eighteen (18) years of age are not permitted in the hot pits or at corner stations.
- Standing on pit wall is not permitted.
- Shorts are not permitted on pit lane (in hot pits) during racing events. Shorts are never permitted on corner stations. Open toed shoes are not allowed on pit lane or at corner stations while the track is hot.
- To facilitate emergency vehicle access, race and personal vehicles must not be parked on any paddock road or safety access lane during an Event. Any vehicle not in compliance will be towed at USER's expense.
